Tuesday, November 17, 2009
6:00 pm / UAB Spain Auditorium

FREE AND OPEN TO THE PUBLIC

*The **Arts in Medicine (AiM) Project** is designed to expand VSA arts of Alabama's Arts-in-Healthcare initiative by increasing programming opportunities targeted for current and future healthcare professionals and by broadening mutually beneficial partnerships within the medical community including the University of Alabama School of Medicine (UASOM), the Medical Scientist Training Program, the Griffin Society, Children's Hospital, and UAB Hospital. For more information on the AiM Project, please go to www.vsartsalabama.org.*
